

STORM PEAK INNOVATIONS

Startup Program

Deep Startup Experience

- Jens has successful startup experience
 - Successfully built and sold two startups:
Precision Insight and Tungsten Graphics
 - Broad experience leading development, management and sales
- Lars has deep experience acquiring startups
 - Filled holes in large corporations' IP portfolio
 - Broad experience leading marketing and business development
- Storm Peak Innovations' Incubator
 - Up to \$6k in seed funding per founder
 - Intensive 10 week program
 - Jens, Lars and other strong mentors will help you bootstrap your business

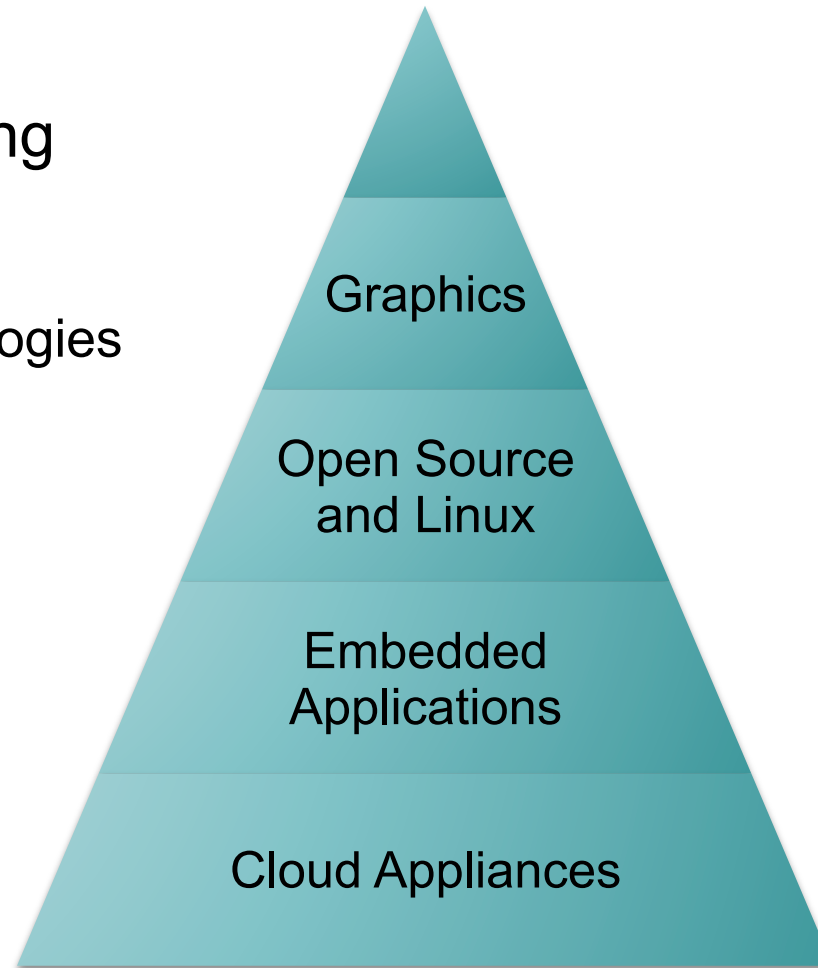

Unique Approach to Problem Solving

- If you want to repeatedly solve the tough problems, you have to think outside the box
- What better way to think outside the box than to **BE** outside the box
- A proven approach to successful startups in an outdoor environment

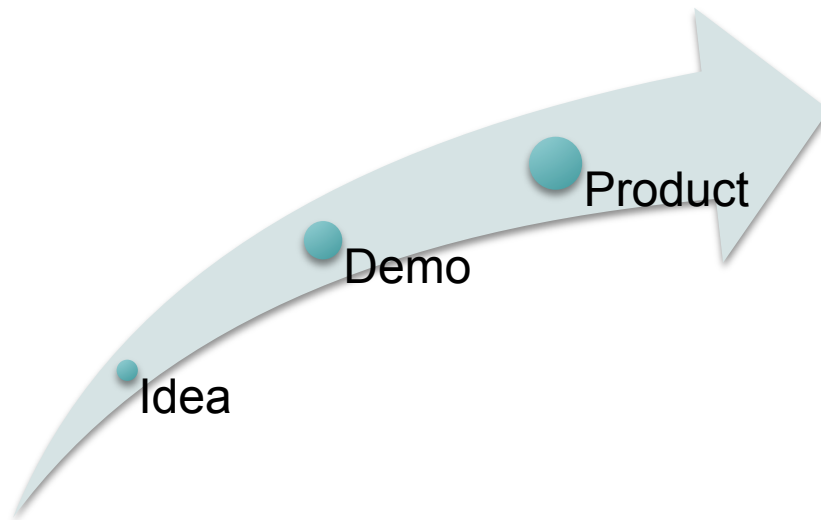

What we are looking for

- Sharp people with a passion for developing key technologies in:
 - ▣ Open Source Technologies
 - ▣ Interactive Graphics Subsystem
 - ▣ Systems Level Development

Where are you at?

- We can help incubate from ideas to products
- We can help you build your corporate and business infrastructure
- We can also help refine an existing product and get it to new markets
